CROCHETED BABY CAP FOR NURSERY-

I or J hook

1. Chain 28 (or until 8 inches long).
2. Chain 1 and turn.
3. Begin in first stitch and crochet in back of each stitch.
4. Chain 1 and turn.
5. Repeat with single crochet in back stitch until 18 ridges (or crocheting is 10 inches wide).
6. Slip stitch together and gather at top.
7. Make a tassel of another color and crochet edge around bottom with same color.

Since every one crochets differently, some loose and some tight, the size should be 8 inches long and 10 inches wide before it is slip stitched together.
