Please refer to your 2018 SCQG Program for other unchanged monthly events.

April 11, 2018 7PM Due to a fall and some broken bones, Joan Cain will not be able to join us in April while she is healing. In her place Maureen Laber from My Material Matters will be presenting "What is New in Quilting" and do a few demonstrations for us. Joan's presentation on "Confessions of a Serial Quilt Killer: When Good Quilts Go Bad" will be rescheduled for March 13, 2019 at 1 pm.

July 11, 2018 Sit, Sew and Share at the church 9 - 1. (Stays the same)

This is what was planned but due to personal reasons, the appraisers cannot be at our meeting on July 11th.

1 pm We are very pleased to have our friends and favorite quilt appraisers, **Linda Honsberger and Jayne Steffens**, return to share their historical textile knowledge. They are American Quilter's Society Certified Quilt Appraisers and have appraised many beautiful quilts at our annual quilt show. They love to work together sharing their joy of heirloom quilts and assisting quilters with appraisals and quilt restoration. These two talented ladies from Racine will do a **lecture/presentation on "Queen Victorian Blacks to the Bright Lights"**. This wonderful and changing era in fabrics will be highlighted in their trunk show.

Quilt appraisals will be done by appointment the morning of the meeting by contacting June Smasal for available times and pricing. *Call June at 920-894-2867.* Appointments will begin at 9 AM until Noon.

Fortunately, this lecture from Linda and Jayne has been rescheduled for our **September 12th** meeting and both will be back to appraise quilts throughout our quilt show **September 29th**. Get your appointments as soon as possible.

July 11th, 2018 1 PM

Back by popular request is our Guild Sharing and Teaching Round Robin of Local Talent to be held July 11th. This is a wonderful opportunity to learn from our talented guild members. See one of the program committee members if you would like to share a technique, a new template, an up-cycled project, a new machine or something fun with our fellow guild members. More information will soon follow during regular meetings. Look for this picture and sign up at the table.

September 12th, 2018 1 PM Linda Honsberger and Jayne Steffens will present their program as written previously in red. Be sure to schedule your appraisals. Check with June Smasal for time availability.
